INTO THE WORD INTO THE WORLD encourages persons to open themselves to hearing what God has to say to them through the Bible and to be guided into service in the world by Scripture and their study of it. This thirty-two-week study selects specific portions of Scripture and delves deeper into them. Depth study of Scripture will be the work both of individual members and of the group in its weekly meeting. Equal attention is given to both the Old and New Testament with concentration on four books: Genesis, Exodus, Luke, and Acts (eight lessons on each book).

INTO THE WORD INTO THE WORLD is prepared for those who have completed DISCIPLE: BECOMING DISCIPLES THROUGH BIBLE STUDY. This study proclaims the transforming power of Scripture while teaching Bible study skills that take participants deeper into the Scripture. The importance of keeping Bible study related to witness is reinforced while participants are encouraged to practice spiritual disciplines arising out of Scripture. The purpose is to change habits and transform lives. The study also emphasizes the rhythm of coming to God and going for God, of being in the Word and in the world individually and corporately. This study understands the growing Christian as under discipline in community and in ministry to the world. INTO THE WORD INTO THE WORLD approaches all experiences of life as opportunities for faithful witness and service.
