Over the years God has used the truths of Experiencing God to awaken believers to a radically God-centered way of life. As a result, millions have come to know God intimately, to recognize His voice, and to understand His will for their lives.

God is inviting you to experience Him in an intimate love relationship through which He reveals to you His will, His ways, and His word. Through the biblical principles in this study, God can teach you how to—

- know when He is speaking to you:
- recognize His activity around you:
- adjust your life to Him and His ways:
- identify what He wants to do through you:
- respond to His activity in your life.

When you recognize where God is working, you can join Him in what He is doing. Then You will experience God doing through you what only He can do. The heart of this study is to move you from merely being religious to having a vibrant, real, growing relationship with God.
